

SECURITY CERTIFICATE

A security audit has been conducted by the LEXFO company on the eWIRE UPS application made by Socomec SA in October 2021, and then from March to April 2022 on the Android eWIRE application, iOS eWIRE application, eWIRE website and eWIRE bridge application.

LEXFO certifies that this solution has been verified within the deadline for this audit and that its technical security level is compliant with the state of the art of the OWASP security recommendations (www.owasp.org) or the ISO27002:2013 standard (www.iso.org).
